Dear Prospective Sponsor,

We invite you to review our sponsorship offerings, and become involved in a truly wonderful program. Established in 1968, today Howell South Little League is proud to be a **non-profit, 501(c)3 volunteer-run organization** sanctioned by the Little League Headquarters in Williamsport, PA. We pride ourselves on being a cornerstone of Howell Township, with multi-generational involvement throughout our organization.

Each year, over 250 families participate in our league during the spring and fall seasons. Your sponsorships provide the children of our community a safe and fundamentally sound baseball environment. All of our sponsors are a part of our HSSL family and the growth of our organization could not have been accomplished without your support.

While we are a volunteer-run organization, the costs associated with running a program of this size and caliber is considerable. Although we do charge registration fees, the rising costs of field-related goods and services required to run such programs have a huge impact on already tight, non-profit budgets. This ranges from recurring costs such as utilities, safety equipment and buckets of baseballs, right down to the gasoline for our tractor. We strive to make our program accessible to all those who have an interest, and we need your help to be able to continue to offer competitive pricing for our communities. Remember - all donations are 100% tax deductible.

We thank you in advance for your consideration, and look forward to onboarding you as a valued sponsor of our HSSL Family!
